

Water Softeners

MODEL 5800

Water

Essential for all dimensions of life.

FS MODEL 5800

Experience the difference.

- Reduces build-up film on fixtures and wall tiles
- Whiter and brighter laundry while using up to 45-50% less detergents
- Virtually eliminates hard water spotting on glassware & dishes
- Reduces scale build-up in water lines, dishwashers, boilers and hot water tanks which lowers energy & operational cost.
- Decreases the amount of cleaning agents and chemicals required for daily tasks
- Decreases the amount of chemical going to drain extending life of septic systems.
- Saves on the carbon footprint.
